

**Community Network Monthly Meeting Minutes**  
**Tuesday October 9, 2018, 1:00 – 3:00 PM**  
**Maple Ridge Library**

The Community Network hosted a “Fall Info Fair” in the foyer of the library in place of a typical CN Working Tables Update meeting. The Senior’s Network, the Ridge Meadows Community Children’s Table, the Stop Overdose Ridge Meadows Community Action Team, the Community Literacy Committee, and GE Feast each manned a station where information on the work of the group was provided and questions were answered. A final station provided tablets so attendees could provide input to the 2018 CN Survey. The following is a list of attendees:
