### Update:

The Community Resource Fair Committee would like to introduce our new Fair Coordinator. She is Lily Laverton and she can be reached at 778 317 0399 or by email at [llaverton@gmail.com](mailto:llaverton@gmail.com). Lily is very excited about being coordinator of our wonderful Community Resource Fair on October 17<sup>th</sup> and has many new ideas to make it the best fair ever!

Lily will be shortly sending out notices regarding Early Bird registrations and the benefits to you for doing this.

The Community Resource Fair Committee would like to send out a big thank you to Trish Salisbury and the Ridge Meadows Child Development Centre for stepping up and agreeing to be the financial host for donations received for the execution of the Community Resource Fair. The Fair would not have occurred if they had not stepped forth. **THANK YOU!!!**

The Committee would also like to thank the Ridge Meadows Fall Prevention Society for being the Financial Host for the past two years.
