# WHAT IS INTERFAITH ENGAGEMENT?

Interfaith engagement goes beyond mere tolerance to building positive relationships and working with one another. It is the coming together of diverse religious communities in developing mutual understanding and respect.

Interfaith engagement:

- **Recognizes** similarities of various faiths while celebrating the uniqueness of each
- **Does not** dilute or destroy religious convictions
- **Will not** provide an opportunity for religious groups to proselytize or impose their beliefs on others.

## ABOUT US

BUILDING INTERFAITH  

---
